PHOTOGRAPHY AND VIDEOGRAPHY

THE QUALITY OF NATURE: A 2-3-minute documentary video that represent a stress-free life and experience nature. It is a work in progress, but it would give me an opportunity to focused more on landscapes. May 2022

1100 LOUISIANA: 4K public video art collaboration. Produces narrative video on lobby screen.
May 2022

THE ROAD TO RECOVERY: The destruction and rebuilding of Lake Charles, Louisiana in 2020. It represents how Louisiana was able to slowly recover from the massive storm during the pandemic. Jan-May 2021

CALM BEFORE THE STORM: Discover the mutual damage of my relative's home and other areas destroyed by the hurricane. Provide some information during the interview on how it affects the landscape and people's lives. Sept. 2022

STRANGE DREAMS: A 5-6 min video based on video intensives. Young man ate strange candy and having weird hallucinations. Woke up in a public park, confused. Aug-Dec 2022
